Electronic Drill

Spirit level

Pencil

Philips Screwdriver

Hammer

- This product is fragile and easily breaks with glass, be cautious while fitting or handling to prevent personal injury or damage. If the glass is broken, please stop using it and replace it with the manufacturer. Ensure the mounting surface is dry and strong enough to bear four times the weight of the product for safe fitting.
- Special care should be taken when drilling walls to avoid hidden pipes or electrical cables.
- This product covers the outlet box and the wirings after installation.
- Wipe clean with a soft dry cloth. Never use abrasives or chemical cleaners.
- Please put a soft cushion under the mirror while you take the mirror down from the wall.

Wall hanging Installation

STEP 1 Turn off the power supply.

STEP 2 Place the metal 'Z' bar against the wall and mark the suitable position of the screw holes ensuring it is level.

STEP 3 Drill the holes and put in the wall plugs for 'Z' bar.

STEP 4 Screw the metal 'Z' bar onto the wall with the mounting screws supplied.

STEP 5 Place the mirror cabinet on a proper position so that the wires can access to the main power supply.

Wall hanging Installation

STEP 6 Connect the wires of the cabinet with the main power by the wire connectors.

BLACK WIRE --- POWER SUPPLY (LIVE)

WHITE WIRE --- POWER SUPPLY

(NEUTRAL) GREEN WIRE --- POWER
SUPPLY E (EARTH)

WARNING: *This product must be earthed.*

STEP 7 Hang the mirror cabinet onto the 'Z' bar until they are completely stuck.

STEP 8 Peel off the protective film from the mirror and clean it with a soft cloth.

Recess Wall hanging Installation

STEP 1 Turn off the power supply.

STEP 2 Mark the positions of the mounting holes on both sides of the wall, using a pencil and a spirit level, insert the wall plugs after you drill the holes, The maximum recessed depth is 90mm.

STEP 3 Connect the wires of the cabinet with the main power by the wire connectors.

BLACK WIRE --- POWER SUPPLY (LIVE)

WHITE WIRE --- POWER SUPPLY

(NEUTRAL) GREEN WIRE --- POWER SUPPLY E (EARTH)

WARNING: This product must be earthed.

STEP 4 Recess the whole cabinet into the wall, screw the cabinet on both sides of the wall. Ensure the cabinet is fixed firmly by the screws on the wall.

STEP 5 Carefully put the glass shelves into the cabinet.

Peel off the protective film from the mirror and clean it with a soft cloth.

2. Activate the Bluetooth on your device and search for '**RRD-126L**'.
The mirror will give out a tone to confirm the connection successfully.
3. Play the music which will come out from your mirror.
Adjust the volume on your device.

Warranty

All Dyconn Faucet products are manufactured and tested with the highest quality standards and rigorous quality control process. This warranty is limited to the non-commercial use of Dyconn Faucet products purchased and installed in the United States and Canada.

Dyconn Faucet Brand Limited Warranty on Faucets and Kitchen/Bath Accessories

Dyconn Faucet warrants its faucet products to be free from manufacturing defects in material and workmanship during the normal non-commercial use for a period of three (3) years from the initial purchase date by the original owner/end-user for personal household use. Dyconn Faucet also warrants its part and accessory products to be free from manufacturing defects in material and workmanship during the normal non-commercial use for a period of one (1) year from the initial purchase date by the original owner/end-user for personal household use. This warranty is non-transferable between homes or owners and only applicable for residential use. Any commercial or industrial use of Dyconn Faucet products automatically voids the warranty. Any warranty claim must include the original sales receipt as proof of purchase from an Authorized Dealer or Distributor of Dyconn Faucet products. (Authorized Dealers can be found on the Dyconn Faucet website).

Dyconn Faucet recommends installation of all Dyconn Faucet products by a licensed professional plumber. Dyconn Faucet will not be responsible for any damage or product failure due to improper installation, misuse or the failure to adequately utilize a licensed professional. Proper care and maintenance for all products is standard, like any other household appliance and fixtures to ensure proper function and a lasting product. Instructions are provided in your manual on proper care and maintenance of Dyconn Faucet products.

This warranty will not cover any damages that might be caused by the product. (In some instances States do not allow for such limitations, so this may not apply to all owners).

Any product reported to Dyconn Faucet as defective will be repaired or replaced (with a product of equal value) at the option of Dyconn Faucet. If Dyconn Faucet is not able to replace or repair the product, Dyconn Faucet may elect to refund the original purchase price to the original purchaser in exchange for the return of product. Dyconn Faucet has the full rights to inspect any Dyconn Faucet product reported as defective prior to repair or replacement. Any repair and replacement costs EXCLUDE shipping, labor for removal or re-installation and any consequential or special damages associated with return, replacement and installation of your product. Replacement parts may be obtained by calling 1-855-239-2666 (in the U.S. and Canada), by emailing us at info@dyconnfaucet.com or writing to:

Dyconn Faucet – 382 N. Lemon Avenue #122, Walnut, CA 91789

Dyconn Faucet reserves the rights to modify the warranty at any time, it being understood that any such modifications will not supersede warranty conditions that are applicable at the time of the original sale of products in question.

Though Dyconn Faucet products are certified by various agencies, Dyconn Faucet makes no implication that products comply with any or all local building or plumbing codes. It is the consumer's responsibility to determine any code compliances when installing and using Dyconn Faucet products.

Limitations of Warranty:

The warranty shall be not apply and be void for incorrect operating procedures, breakages and/or damages caused by fault through improper installation, carelessness, abuse, misuse, misapplication, improper maintenance and alteration of product; damages caused by chemicals, natural corrosion, accident, fire, flood, an act of God, or any casualty. Avoid abrasive cleaners, materials, steel wools and harsh chemicals as these will scratch, damage, and/or dull the products and/or finish of the products and void the warranty. The proper installation of product covered is the responsibility of the original owner/purchaser of the product. Dyconn Faucet neither installs nor supervises the installation nor hires contractors for this purpose; consequently Dyconn Faucet cannot be held responsible for any default breakage, or damages caused thereby or resulting thereof, either directly or indirectly.

This warranty does not apply to Products that have not been installed or operated in accordance with instructions supplied by Dyconn Faucet and all applicable rules, regulations, and legislation pertaining to such installations.

This warranty does not apply to Commercial or Industrial applications of Dyconn Faucet products.

Dyconn Faucet is not responsible or liable for personal injuries or deaths to any person for any direct, special, incidental, or consequential damage, loss of time, loss of profits, inconvenience, incidental expenses, labor or material charges, or any other cost resulting from the use of the product or equipment or pertaining to the application of the present warranty, or resulting from the removal or replacement of any product or element or part covered by this warranty.

In any case, Dyconn Faucet is not liable for any amount over and above the purchase price paid for the Product by the original owner/end-user.

Cleaning and Care

Care should be exercised when cleaning this product. Although its finish is extremely durable, it can be damaged by harsh abrasives and cleaning pads. To clean, use a light, non-abrasive cleaning solution or cleaning polish.
